

Film event jointly hosted by IGAS, UCD School of Medicine and

The School of Psychotherapy, St Vincent's University Hospital.

Pioneers of Group Analysis

In the presence of the authors

Wilhelm Rösing and Marita Barthel-Rösing

Preceded by an introduction with light refreshments

Overview of the history of group analysis and significant generational contributions as told by key contributors.

Liesel Hearst and Malcolm Pines recall their approach to their contribution to the development of group analysis, supplemented by influential group analysts of the next generation.

This documentary connects all the memories of a collective story and charts the spread of the ideas of S.H. Foulkes in the UK and abroad.

Saturday 10th February 2018 from 12.45 to 17.50

12.45 Introduction and refreshments in the Red Room

14.00 Film: Pioneers of Group Analysis

16.20 Q and A and discussion with the film-makers

Wilhelm Rösing and Marita Barthel-Rösing
